

The Voyage of "Our Journey" *Catalina 36* *Sailed by: Boris & Judy Dobrotin*

On December 18, 1997, Our Journey left Los Angeles and after being hit by several Santa Ana winds, arrived in Cabo San Lucas on January 8. Then on to La Paz, Isla Espirtu Santo, Mazatlan, San Blas and Puerto Vallarta. On April 21, the Dobrotins left Puerto Vallarta for Hiva Oa, Marquesas in French Polynesia. The crossing took 25 days with winds averaging 20–25 knots. There were one or two calm days and many squalls. After a tour of the Marquesas they sailed for Tuamotu Archipelago then to Tahiti and Moorea, returning to Tahiti.

The Dobrotins next plan to sail their Catalina 36 from Vancouver to Alaska then down the coast to San Diego.
